

# TEST KITS

## 1. DESCRIPTION

- Microbe Test Kits
- Fuel Test Kit
- Martechnic GMBH

## 2. APPLICATIONS

### MICROBE TEST KITS

The total Microbe Test Kit is an easy to use, rapid on-site test for total viable microbes. It measures microbial activity and its presence in fuel oil, bunkers, lube oil, and waste water systems.

Microbe Test Kits are packaged in 1, 8, or 30-ampoule size.

### FUEL TEST KIT

The Fuel Test Kit analyzer is a hands off, totally automatic microbial test unit. Eliminate steps and tightly controls test conditions and accuracy. DC or AC operated.

### MARTECHNIC GMBH

Uni Americas is also a supplier of fuel and lube oil testing apparatus and reagents manufactured by Martechnic of Hamburg, Germany. These kits include Aquacheck, Salt Check, WIO, Viscometer and compatible testing reagents.

For additional information on any of the kits above please contact your Uni Americas' Sales Representative.
