

GREEN GELATIN

1. DESCRIPTION

Firm translucent gel, which does not contain abrasive chemicals. It contains lanolin to prevent drying of the skin and does not irritate cuts or scratches.

Biodegradable, effectively removes varnish, ink, grease, oil, paints, abrasives and most other grime.

2. APPLICATIONS

The hand cleaner, **GREEN GELATIN**, is the safe, efficient and economical solution to all industrial hand cleansing problems.

The product has the power to remove most known industrial contaminations from the skin yet leaves the skin supple, healthy and free from possible skin irritants.

Also removes unpleasant odors from the hands.

3. DIRECTIONS FOR USE

Apply about a teaspoonful of **GREEN GELATIN** to dry wet hands. Rub in well then wipe off with a clean cloth or rinse with cold water.

HAND CLEANER
