2. APPLICATIONS

UNI AMERICAS PRODUCTS

- Compatible with all marine suppliers.
- High quality welding & cutting gases and refrigerants, welding & cutting equipment and consumables.
- Worldwide technical assistance and a rapidly growing list of supply ports.

The reputation of **UNI AMERICAS** is well established in the marine chemicals market. **UNI AMERICAS** wants to challenge this reputation in the gas market. Give us a chance to show you how to achieve substantial savings in gases and to set yourself free from the “monopolized gas market”, which is very costly for the management of your vessel.
